Brands Indy

Saturday 26 September

Entry forms have now been circulated for the Brands Indy Race, unbelievably the penultimate Championship race of the season.

The 70s race is listed on the entry form as a shared grid with HRS but will be a stand alone race with sufficient entries.

70s are enjoying a very competitive year with close racing throughout the grid and the sense of 'fun' has returned to the paddock.

Brands Indy is a challenging little circuit with gradients and adverse cambers, and is also a great place to spectate.

Send in your entry, or click on the link below to download an entry form.
